

Group Stop Loss Insurance

Applicable Statute [RCW 48.21.015](#)

- NAIC Uniform Transmittal Form
- Policy
- Policy Schedule Page
- Application/Enrollment Form
- Variable Package
- Actuarial Memorandum
- Rate Manual

Verbiage for the minimum aggregate and individual attaching points must appear either on the Policy Schedule Page or within the policy provisions.

All forms must be completed in John Doe fashion, with numbers the insurer proposes to use. If the rates or some of the forms have been previously approved in another filing, the insurer should state the approval date, file the rates, and include the completed forms in support of the current filing.
